

Call for applications

The Department of Political Sciences, Christian-Albrechts-University (CAU) Kiel invites applications for the position of a

Postdoctoral Researcher

which is to be filled as soon as possible and is for a fixed term of two years.

The salary will be on the 100% TV-L 13 pay scale. The hours of work will be those of a full-time employee (currently 38.7 hours/week). There is a teaching commitment of 4 teaching periods (2 x 45 mins/weekly during semester).

Applicants are required to hold a PhD in Political Sciences. Candidates should have demonstrated their ability for independent research and publications, preferably on ocean governance. The ideal applicant has previously worked on at least two of the following topics: environmental governance, international organizations, the role of expertise in international regulation, and/or international cooperation. The postdoctoral researcher is expected to undertake research on Ocean as Political Space/Ocean Governance. Preference will be given to candidates with teaching experience, the holder of the post is required to supervise BA/MA theses. Applicants will be participating in interdisciplinary marine science research.

The holder of the position will be tasked to undertake research and to teach in the area of International Ocean Politics and work with Prof. Dr. Aletta Mondré, especially by

- contributing to grant proposals
- contributing to ongoing research activities
- providing organizational support for teaching and research activities

Kiel University is seeking to increase the proportion of female scientists in research and teaching and therefore particularly encourages suitably qualified women to apply. Women will be given preference if they have the same suitability, ability, and are equally well qualified. Kiel University promotes the employment of disabled people. Disabled applicants will therefore be given preference if they are qualified for the position. We expressly welcome applications from those with a migration background.

Please send your detailed application containing the usual documents (CV, copies of your academic certificates, list of publications, list of teaching/courses, names of 2 references, etc.) and an outline (approximately 1,000 words) of your planned research project on ocean governance to
